Craig Misch – General Manager & Golf Pro

Welcome to summer, golf is still in full swing as the COVID virus has kept many of our snowbirds here in town for an extended stay. It's been a pleasant surprise to have so many of you here longer than usual.

We did manage to play some golf this past month, a lot of golf. The Ladies had the first of many scramble events just a few weeks ago. We had 56 ladies tee it up and they all had a wonderful time. What a great turnout ladies!!!! Pictures of the event are in the MWGA section of this newsletter, please make sure to check out who the winners were.

The Memorial Day tournament saw 72 players start, but mother nature decided to step in and rain out our event. I will give an honorable mention to the team of Mike and Virginia Holzhausen, Francie Traviolia, and

Dick Therrien for actually finishing the event even though I called the event over due to rain. Troopers!!!

Big event coming up on June 7th at 1pm. The MWGA ladies will hold a shootout. We want everyone to come out and support the ladies for this event. The players will all have caddies and we NEED A GALLERY. Please social distance in your cart and follow the play starting on the front 9 at 1pm. Good luck to the 10 qualifiers!!

MMGA – Gary Ritchey

There are two new additions to the bulletin boards for MMGA and MWGA – brag boards. Craig installed (and Laura supplied!) two small wipe-off boards. Anytime someone has a hole-in-one or an eagle, please write it down on the appropriate board so we are sure to include you in our monthly articles.

Keith Patterson, John Buono, Keith Beile and Gary Ritchey have done a few days of tree trimming on the first few holes to improve play. It is quite an improvement.

This work will continue, but it's a long way around the course! Thanks gentlemen.

Gary Ritchey, Keith Beile, Keith Patterson & John Buono

The club has recently upgraded the irrigation pumps. It has been a huge improvement in getting water onto the course. Thanks to the Board in moving forward with this important project. We are now in a much better position to keep the course looking and playing great!

On May 4th, the greens were aerated with the DryJect process. Quite an improvement over the plugging method. Another round of thanks to the Board!

The MMGA welcomes all male members of the Monarch Golf Club to join our organization. Come and join us for some great golf and great times.

MWGA – Esther Patterson

Welcome to our latest MWGA members:

Lori Slater ... Virginia Holzhausen ...

Regina Johnson

The Spring session of Match Play is well underway and it has been a very competitive yet extremely fun event. Team Buono/Traviolia just moved into First Place with team Skorich/Weicht only 1 point behind them....but lookout - because Team Weasner/Patterson are a close third and Team Clemans/Scappaticci are within striking distance! Our last event of this session will be Tuesday, June 2, and then we have a Fun Day event planned before our Position Round on June 16. Our next Match Play session begins July 7th and the signup sheet is in the Pro Shop. So, grab yourself a partner and sign up to play in this fun event - Tuesdays at 8:00 a.m.

The Third Annual MWGA Shoot Out tournament is scheduled for Sunday, June 7, at 1:00 p.m. The final participants are: **Therese Buono, Evelyn Weasner, Donna Laverghetta, Esther Patterson, Connie Ortbals, Molly Ryan, Betty Danish, Reka Reaktenwalt, Lori Slater & Sue Scappaticci.** (Carolyn Case is the alternate if anyone has to drop out). All 10 players will tee off on hole #1, and the highest NET score will be eliminated on that hole. This will continue with one player being eliminated on each hole until the final 2-some on the 9th hole. This should be an exciting tournament, so y'all come out & cheer them on.

Terry Stephenson - Superintendent

- We will be skipping our June 15 airification for greens this year.
- We will be doing another dryject application on the greens on July 27,2020. We feel we get better penetration and material filling the holes than standard airification.
- We will be airifying the tees, fairways and roughs this month.
- We are putting sod in some of the weak areas on the greens and fairways.
- We will be treating for weeds as the weather and time allows.
- We will be fertilizing the tees and fairways again this month.
- We are working on cleaning out the beds for the second time this year.
- We are putting out our second pre emergent on tees and fairways this month.

The new pump station is working really well and we are able to use more water more efficiently.

Here is to a great summer.
