Welcome back snowbirds?...good to have so many of you back for another season!!

We did something different this month, and since it was so much fun, we have decided to make it an annual event...yes, I am talking about the Members Men vs Women tournament we had a few weeks ago. The two groups played a 2-person best ball full handicap one best net ball per group event Ryder Cup style. We had 16 Women and 16 men divided up into 2-person teams. Winning a match got your team 1 point, tying a match got your team a half point, after the dust settled, the WOMENS team came out on top 5 points to 4 points!!! Well played!! There will be a brand new trophy on display in the clubhouse commemorating the champions of this event for years to come. I would love to see this event get more players for next year, it was truly one of the best member tournament events we have had in a while!!

The men's Crown Cup match play event is in full swing, stay tuned next month for the results.

Golf course has been Over seeded. Carts must remain on the rough or cart paths only until the new grass is grown in. It takes almost two full weeks, so look for the fairways and greens to be cut on or around November 13<sup>th</sup>, at which time carts will be allowed back in the fairways. Once the process is complete and we open the fairways back up, try to stay in the fairway as much as possible to give the rough a chance to recover from so much cart traffic.

The Monarch Women's Golf Association Memorial Golf Tournament held Thursday, October 18, benefiting Cornerstone Hospice & Palliative Care Foundation was a huge success again this year. This was the 10-year anniversary of this event, and a total of \$11,153 was raised and presented to Cornerstone Hospice. Thank you to all the golfers who played in the tournament, as well as those who bought hole signs, raffle tickets, purchased commemorative stars, contributed door prizes and gift baskets, and to all the volunteers. Without the support of our Monarch golf members as well as Royal Highlands residents and Clubs we would not be able to achieve the success for this worthwhile cause.

Another special thank you to Sam Floyd, Linda Eaton and the Crown & Shield staff for putting on a great luncheon and to Pro

Craig for raising over \$500 getting us on the green of #6.

The holidays are approaching, and MWGA members usually do a food drive around this time of the year. This year we are working with Leesburg Elementary in providing families in need with a Thanksgiving meal. All you need to do is pick up a laundry basket in the Pro Shop and then fill it with items needed for a Thanksgiving meal. If you don't want to shop, please consider giving a monetary donation. The monies received will be used to purchase gift cards from Publix, Winn Dixie or Walmart and given to the families so they can purchase a turkey, ham, etc.

The Pro Shop will have an envelope for monetary donations.

Judy Keating is leading this project and you need to let her know as soon as possible if you or you and your friends will be providing a Thanksgiving basket ([judygkeats@gmail.com](mailto:judygkeats@gmail.com)). Delivery dates to Judy for the baskets are... FRIDAY, November 9 all day, or SATURDAY, November 10 after 1:00....20728 Prince Ranier Pl (off of Queen Alexandra ) telephone: [352-410-7107](tel:352-410-7107). This is a change from other years, but let's make this work!

We put out our winter grass on the 29<sup>th</sup> of October. Please remember **DO NOT DRIVE** in fairways for 2 weeks. The putting green will be closed until the winter grass comes up.

This grass will be what we have for the next 5 to 6 months. We will start cleaning up the

beds this month. Thanks to some of the members for starting this process. The cactus bed.

Looks good on #12. We are continuing to spray for weeds in the roughs. The new grinding machine that was purchased is making the sharpening process go a lot smoother. We will be ready to cut when the grass gets long enough to cut. We will start at a higher cut and slowly go down to our normal cut to not stunt the new grass. Thanks to the members that have helped with our spot spraying.
