Golf Pro – Craig Misch

These are the dog days of summer...it's a bit toasty this time of year, plenty of tee times available in the afternoon.

Aerifications are over, some new sod has been laid out on the greens on the small bad areas we had and greens are looking great!! The fairways are super, Terry and his staff have Monarch back up to standard! Great job grounds crew!!!!

Group lessons continue in August and if you have been to one, thanks for coming, if you have not been, consider coming to one, they are a lot of fun and very informative. I will be doing some more the last 2 or 3 weeks in September.

I am also starting to gear up for the upcoming season; new inventory is coming into the pro shop every week. Bridgestone will be offering a great deal on the E6 and the Lady Golf balls coming in September, if you play one of these balls you are going to want to stock up...I won't say exactly what the price is going to be yet, but I will tell you it's a pretty substantial discount.

We are trying out a new event for Labor Day called "captain and crew", and I think you are really going to enjoy this format. Look for my article detailing what happens in next month's newsletter.

Superintendent-Terry Stephenson

We have put sod in some of the weak areas on the greens. We are continuing to grow in the other areas before over seeding. We have retreated some areas for crickets where we had break throughs. We are continuing to treat for weeds on the golf course. We have put some new sand in the bunker on #3 greenside and #1 Fairway bunker. We will be edging cart paths and bunkers as time allows.
