***June, 2021***

**Luis Colon – General Manager & Golf Pro**

The most anticipated 1<sup>st</sup> month of the off season brought to us a sense of normality welcomed by all. Snowbirds started their departure out of state after 24 months of enjoying beautiful Royal Highlands and members left the state to visit family members. We wish our departing members and residents safe travels in the months ahead and a safe return home.

The club began the month with the MWGA play day in which our women golfers enjoyed a beautiful afternoon of competition. The Putt-Putt contest became the highlight of the afternoon. The very next day Terry Stephenson, Golf Course Superintendent, and his crew orchestrated the DryJect greens treatment, a must needed evil to improve the quality of our greens. The new greens aerification

process gives us the opportunity to re-open the course the day after which is a great benefit to the club.

Just a couple days after the aerification, the MMGA conducted a Beat the Club Champion tournament in which 22 players outscored the CHAMP.

Just a few days after, the MMGA Match play off season group started their series.

Our month concluded with the traditional Memorial Day couple's tournament and the competitors had a fabulous day while showing their patriotism to the red, white, and blue in honor of our fallen men and women. Congratulations to all our winners and participants for making May a month to remember.

The Crown & Shield Restaurant continues to offer the members and public fantastic service and a place to gather for social events. We noticed an increase in traffic and we welcome our RH clubs back to group lunch and dinner gatherings. Lisa,

manager, and Justin, Head Chef, continue to work on improving the quality of service and dining experience. Despite food and alcohol delivery challenges, both have managed to maintain a level of service expected by all customers.

Looking ahead, the month of June brings the MWGA Shoot-out tournament scheduled for Sunday the 27<sup>th</sup>. Please sign up for the fun format event.

On a last note, the state of Florida is moving away from COVID restrictions and golf courses are looking at getting back to a sense of normality. Starting the month of June, we will begin a transition that includes 2 players per golf cart, rakes at the green side bunkers and water on the course. We will work on the above mentioned in hopes to have all changes in effect by the beginning of July. Your cooperation is greatly appreciated and your assistance in policing others is welcome. Pass along to your guest residents/non-residents that the option to play and ride in their own golf carts is under review. We hope to have a decision on how to move forward with non-member residents personal golf cart usage by mid-June. In the interim, the expectation is for non-members to use fleet carts and ride 2 per golf cart. Our public players are cooperating with the request to ride 2 per golf cart. Stay tuned for future announcements.

### MMGA – Dean Woodle

Even with many of the snowbirds flying north eagles are still flying here at the Monarch. Tim Waugh on #5 and Steve Bryan on #16. Congratulations gentlemen.

We would like to welcome our new member, Craig Moore. Welcome aboard Craig!

The MMGA held a Beat the Club Champ in early May. We would like to thank Mr. Bob Keating for giving us all a target. We made

him play from the black tees to give us a chance, and it worked with several members bettering his score. It was a great day. Thanks Bob!

The Wednesday morning MMGA groups golfing has been seeing excellent turn out. If you are a MMGA member and are not participating, please consider trying it out. The 50/50 raffle has been paying out about \$50 a week.

The MMGA welcomes all male members of the Monarch Golf Club to join our organization. We currently have over 100 members in the MMGA. Most recently Craig Moore joined our group. Come and join us for some great golf and great times.

Please contact Vince Laverghetta at [vincelaverghetta@gmail.com](mailto:vincelaverghetta@gmail.com) for sign up details and information on the league.

### Terry Stephenson-Maintenance Supervisor

The golf course is still transitioning from winter grass to the summer grass. We are continuing to fertilize the weak areas to promote more growth.

We have not had any measurable rain in a long while so we are watering as much as possible with the allocation of water that we have.

We are treating for weeds as time allows.

We have gotten behind on some normal jobs (edge bunkers, edge cart paths, verticut/spike greens, tees, airify fairways, tees, roughs) due to having a limited crew. We hope to get more staff and do some of these jobs in the coming months.

Welcome to Craig Shelton our new assistant superintendent.

He is truly welcome after the last 3 months. Hope everyone has a great summer.

### MWGA – Connie Ortvals

The MWGA started May with the First Annual May Day Fun Day. Thanks to Lisa Ritchey, Linda Carey, Reka Reaktenwalt, Evelyn Weasner, Carolyn Case, Esther Patterson, Molly Ryan and Connie Ortvals for making this day so special. A lot of planning and hard work went into it. What a day it was! Let's give a special shoutout

to Gary Ritchey for all of his hard work. And the pictures were great! What a nice way to remember a beautiful day.

The competitors played an extremely difficult 9 holes of golf. Each hole was a different game! Who came up with the idea for 'worst' ball scramble? The opposing team chose the WORST ball for their competitors to play! And does anyone want to repeat trying to get a wiffle ball in the hole on 8? It takes a special kind of person to plan all those tortures for their friends. Thanks, Lisa and Linda! I think you were still smiling at the end of the day because you chose not to participate in the golf game!

**1<sup>st</sup> Place Coreen Corbin & Cookie O'Rourke**

**2<sup>nd</sup> Place Reka Recktenwalt & Diane Christie**

**3<sup>rd</sup> Place Karen Kozlowski & Virginia Holzhausen**

Larry, Moe and Curly were just there for the Yuk Yuks!

But wait – there is more! The Committee transformed the putting green into a Putt Putt Golf Course. (I think that is Ann Carter giving the game a try. So glad you could make it, Ann!)

There was even a Knight in Shining Armor standing guard at the castle. (Special thanks to Molly Ryan who created the castle! You rock, Molly!)

The winners of the Putt Putt contest were: Sue Scappaticci, Alice Marie Baughn, Ann Enloe and Barbara Bradford. Enjoy your golf purse prizes, Ladies! Here's hoping you won't need the matching masks much longer!

We also enjoyed a great BBQ meal followed by door prizes galore. What a great day!

Three MWGA members posted Eagles in May! Way to go!

The MWGA Thursday games have been so much fun! As always, a shout out to Sue Scappaticci and Esther Patterson who provide us with weekly challenges. A lot of work goes into this, and you are appreciated. Winners are:

# Many Thanks

Many thanks go out to Luis's wife Theresa for sharpening up our pots on the front porch. They are beautiful and such an improvement.

The MMGA asked the RH Garden Club to participate in a beautification project of the flower bed at 9th Hole tee box. The Garden Club provided a plan, and the men set to work on May 18. In addition to the Garden Club board members (Michelle Penski, Lorraine Laubner, Bonnie Hein and Sandi Bryan), were four great helpers from MMGA (Steve Bryan, Teddy Laubner, Jim Oddo and Rick Mason).

It was an awesome group effort that

included pulling weeds, moving the blocks, dividing and spreading the existing tiger lilies, planting all of the newly purchased foundation plants, and weed-whacking the outside of the garden. Seasonal annuals will be purchased and planted throughout the year, providing our community residents and guests a lovely feature at the end of Monarch Boulevard.

Even in the early stages, it is still looking good!
