MMGA Game Day Wednesdays

MMGA Men's Day is played every Wednesday starting at 8:00 a.m. for MMGA members. A different game is played each week for prizes. Signups are done through email invitations from the Golf Genius website to play. If members wish to play in the Wednesday game, they need to respond as "Playing" or "Not Playing" on the email invitation sent the week prior to the game.

Entry Fee: \$3 per week, charged to the house account.

MMGA Two-Person Match Play Mondays

Match Play is a form of competition where individuals on a team of two are matched directly against players on an opposing team. With a possible 3 points per hole, scoring is calculated hole-by-hole, with players "A" from each team competing against each other for 1 point, and players "B" competing against each other for 1 point by earning the lowest net score per hole (using handicaps). The 3rd point is based on the lowest net score total by team (using handicaps). The final scores are added together season long to calculate the winning teams.

This competition happens on Mondays for members of the MMGA. Start times vary by session. There are five sessions per year. Sign-ups for teams happen in the Pro Shop beginning approximately two weeks prior to each session. (Must be a member of MMGA)

Entry Fee: \$35 includes a session-ending luncheon.
